Important Information (READ FIRST)

Academic history is sorted by **Term**, with **newer courses** at the <u>bottom</u>. If there are any discrepancies between this web page and Enrolment Services' records the latter will be considered correct.

The Grade Report is **not** an official transcript and is for **display purposes only.** Official transcripts are printed on secure transcript paper which includes the college seal. To request an official transcript please visit <u>Student Records</u> page for information.

Students who were enrolled in **Apprenticeship courses** prior to July 1, 2012 must contact the Apprenticeship Branch at 945-3337 to obtain their grades. Grades for Apprenticeship courses completed after July 1, 2012 will be included in your grade report below.

If you have any questions about the information displayed here, please email <u>advisor@rrc.ca</u>.

Students can now convert a traditional letter grade they receive for their courses at the end of the current academic term to "Credit" or "Not Complete". "Credit" indicates that a student has fulfilled the minimum requirements of the course, while "Not Complete" indicates the student has not. Neither grade will count towards a student's grade point average (GPA).

This option will be available to students for courses being delivered, on or following March 23, 2020, when alternative delivery was implemented. This new grading option will be available until the end of the Spring/Summer term, which has been extended up to **September 12, 2020.**

For more information including how to submit a request, visit **https://www.rrc.ca/coronavirus/students/#grading-options** and go to the Grading Options category.

1. You will have <u>10 days</u> from the date your final grade is posted on your HUB Grade Report to notify the College if you want to change a letter grade from any of your courses to the CR/NC option.
2. Click on the Change to CR/NC button next to the course grade you wish to request to change. This button will also identify how many days you have left to make a change request.
3. Before you can submit, you will be prompted to acknowledge that you understand the implications of the grade change request. You will not be able to submit until you confirm all items.
4. It will take approximately 10 business days to review and process your request.
5. If your request is still being processed, your Grade Report will indicate ***under review***
6. If your request is complete, your Grade Report will indicate ***review complete***
7. You will receive an email response to your RRC email account once your request has been completed.
8. Your HUB Grade Report and official Transcript will be updated with the new grade, if approved.
9. If your request has been denied, please contact your course instructor for further information.
